RE: Susan Storm Telephone Number Report

As requested, we initiated and completed a telephone number search on Susan Storm in the State of California. The results of our investigation are as follows:

Telephone Number Search Results

The subject's residential landline telephone number is listed as (323) 867-5309. Our search included a follow-up telephone call. This number has been disconnected. Our investigation did not reveal a second landline telephone number.

The subject's mobile telephone number is listed as (310) 530-9867. Our search included a follow-up telephone call. This call resulted in reaching voicemail. The voicemail recording identified this active telephone number as belonging to "Susan." Based on that information, our best conclusion is that this telephone number is an active line maintained by subject Susan Storm.

Locate Search Methodology

Our office has a standard set of databases accessible to licensed private investigators. We consult those databases, and we also run the subject's name through our own proprietary databases. The results yield one or more telephone numbers. We then call those, to determine whether the numbers are still active. Only after making those preliminary determinations, do we make a final conclusion about whether the telephone number is in active use by the subject of our investigation.
